

Agenda

Phantom Lake at Dusk

The Phantom Lakes Management District invites all interested persons to join the PLMD for an evening tour of the lake on Thursday, Sept. 1, 6:00 – 8:00pm.

Heidi Bunk of the DNR will lead the casual tour to explain human impacts on the lakes and the effect this valuable natural resource has on regional residents. The District hopes this will provide an educational experience for all Elected Officials, Initiative Members, and concerned local residents.

The boats will leave from the Andrews Street launch site promptly at 6 p.m. We'll travel in a flotilla of pontoon boats, stopping for technical information and questions using a speaker system.

The tour will last approximately two hours and arrangements can be made for people who can't stay for the entire two-hour tour.

Advance reservations are requested so the district can have enough boats. Contact Steve Barber at bubbah@execpc.com / (262) 549-1149 or Gina Krause at kgonefishin@yahoo.com / (262) 594-3583, if you have any questions or would like us to reserve you a seat. Please get back to us by as soon as possible so we can complete our list.

Hope to see you there,

It is possible that members of, and possibly a quorum of, members of other governmental bodies of the municipality may be in attendance at the above stated meeting to gather information. No action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice.

Gina Krause
Secretary/Treasurer Assistant
Phantom Lakes Management District
